2. (Internal Use Only - JCG) After checking with [redacted] FE Division, I responded to Mr. Albert Westphal's (House Committee on Foreign Affairs) call concerning the Singapore Chinese language newspaper Nanyang Siang Pau. This newspaper is part of the AW family chain, a well-known clan among overseas Chinese. It is an effective newspaper; somewhat leftist oriented and one that would print readily items putting happenings on the mainland in a favorable light. Mr. Westphal indicated that he had also learned that this paper cooperated readily with USIA.
